Welcome Rebel Fans, Alumni and Guests!

The US Department of Labor gives us a brief description of Labor Day. It “is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country”. Pope John Paul II wrote that “work gives dignity to man”. Work is not only necessary for economic stability and communal health but it also charges the spirit with a sense of worth, purpose and enterprise. As we celebrate this Labor Day, let us also pray for those who labor for little gain and that the Lord grant “success to the work of our hands” (Ps 90:17).

Welcome to all our visitors and guests and we hope you enjoy your stay here in Oxford. **Newcomers** to our parish please call the parish office at your earliest convenience to be registered.

Matrimony: Couples should call 6 months in advance for required preparation.

Baptism: Parents must attend a class for preparation for infant Baptism.

Expectant Mothers: Please call the church office after delivery of your baby.

Parents of all children enrolled in parish programs must be registered in the parish.

Bulletin submissions must be sent to the office by noon on Wednesday in writing via email or in person.

Current laws do not permit the Church to get information on patients. If you know of someone in the hospital or recovering at home, please let the Church know so we can schedule a visit.
